This year we are offering a swimming program to the students in Prep, Year One and Year Two. Students will be transported by bus to PARC Swimming Pool Frankston - attending one lesson per week over a period of six weeks.

Lessons will take place on Wednesday in Term 4 (dates to be confirmed)

Lessons will be 30 minutes long and students will receive tuition from qualified swimming instructors in a range of activities to enhance their water safety and survival skills. The program will focus on water safety and providing our students with experience around a swimming pool.

The cost of a six week program will be $75.

At this point we ask that you return the slip below. If you would like your child to participate we will send home further information, a payment envelope and a parent questionnaire regarding swimming experience and ability.

Please tick one box on the slip below and return it to your child's classroom teacher by Wednesday the 25th February.

Thank you,
