9/3/16

Dear Parents,

We will be starting our Perceptual Motor Program (PMP) on Monday, 18th April. PMP is a highly beneficial program that gives children the opportunity to develop their gross motor skills, balance, co-ordination and body awareness.

PMP sessions will run during Terms 2 and 3. **For safety reasons we cannot have any toddlers coming to these sessions.**

If you are available to help with the following session times please return the reply slip to your child’s classroom teacher by **Friday 18th March.** We will confirm arrangements with volunteers.

Thank you,
Kathy Lloyd, Georgia Younger and Bettina Thompson
