Dear Parents,

I am organising to have lunch with the Year 6 students twice a term. This will give them time to chat with each other and myself. We will be making our own lunches! Everything will be supplied.

Our first lunch will be on Monday 16\textsuperscript{th} February and we are making pancakes and milkshakes. Your child will still need to have their play snacks.

The second lunch for this term will be Monday 16\textsuperscript{th} March where we will make pizzas and orange juice.

The children are very excited,

Julie Braakhuys
Principal
